

# HANCOCK HISTORICAL SOCIETY

## MEMBERSHIP

Founded in 1903, the Hancock Historical Society is dedicated to the preservation and celebration of the history of Hancock and its people. Built in 1809, our Federal-style brick building on Main Street is home to an extensive archive of manuscripts, documents and photographs, as well as our collection of artifacts, with many objects on display in the museum.

Run entirely by volunteers, the Historical Society is non-profit and supported primarily through membership dues and donations.

**Your support is vital to the Society's mission:**  
*Preserving the museum and collection, and providing research, programs, exhibits, and events.*

**As a Member You Will Receive:**  
The *Historical Oracle*, our quarterly newsletter devoted to sharing stories of Hancock history, and notice of Society programs and news.

## Your Story is Part of 2020 History

**The Historical Society is creating an archive** on the impact of Coronavirus on Hancock and its people. While we are still in the midst of this historic pandemic, it is important to record the challenges and experiences that have shaped our daily lives.

If you have a story, photo, or thought you would like to share, please email it to [history@hancockhistoricalsociety.org](mailto:history@hancockhistoricalsociety.org), with the subject Covid Archive, or send it to us by mail to:
